THE TROPICS

SEYCHELLES North Island

Nestled within the 'inner' islands of the Seychelles, North Island is stamped with a royal seal of approval following William and Kate's own honeymoon spent here in 2011. It's also an exquisite wilderness sanctuary with an unspoilt, tropical backdrop and 11 opulent villas separated out for privacy across the powder-white sand. We recommend 'Villa 11' (the largest, and most VIP), where your own private butler is ready to serve. However, should you wish to see another soul, the scenically-located health spa, gym, library, dive centre, and pool, are each a short walk away on the Western side of the island...

Taj Exotica Resort & Spa

Encircled by clear blue waters of one of the largest lagoons of the Maldives, this is a magical, and convenient (a 15-minute ride by private luxury speedboat from Malé International Airport), way to experience one of the world's most idyllic locations. The island's natural beauty is apparent at every turn. We suggest you make use of an ultra-romantic private Ocean Suite, each with its own oversized plunge pool and set on the beach, with access to the lagoon only a few metres away. Relax on the private veranda, and take a tropical outdoor shower in your private walled garden before you head out to dinner. Bliss.
